The Tarts are so cute;
their smiles are for you!

Their charisma is big,
their urges are too!

We're exploring new ways
to talk about poo's!

Enjoy the tales of...
A Big Number 2!

Old Guyser

His worries are many,
his troubles are few.

Ulcers can happen
when much is ado.

His face crinkles up
when he leaks a poo...

Go man, and do
A Big Number 2!

Ace Kid Mark

He's hip and he's cool
he's got a big crew.

His skills are top notch,
his failures are few.

Concern on his face?!
He's way overdue...!!!

To go off and do
A Big Number 2!

Burrito Joe

He's punchy and fun,
he loves a dark brew.

His snacks are so **great**,
He'll eat quite a few!

The party is over,
his face has turned blue!

He's gotta go do
A Big Number 2!

Deadly Doris

Exotic and strange,
her powers just grew!

Just like a witch,
with all that voodoo.

Her stank is so strong,
You'd have to construe...

She forgot to go do
A Big Number 2!

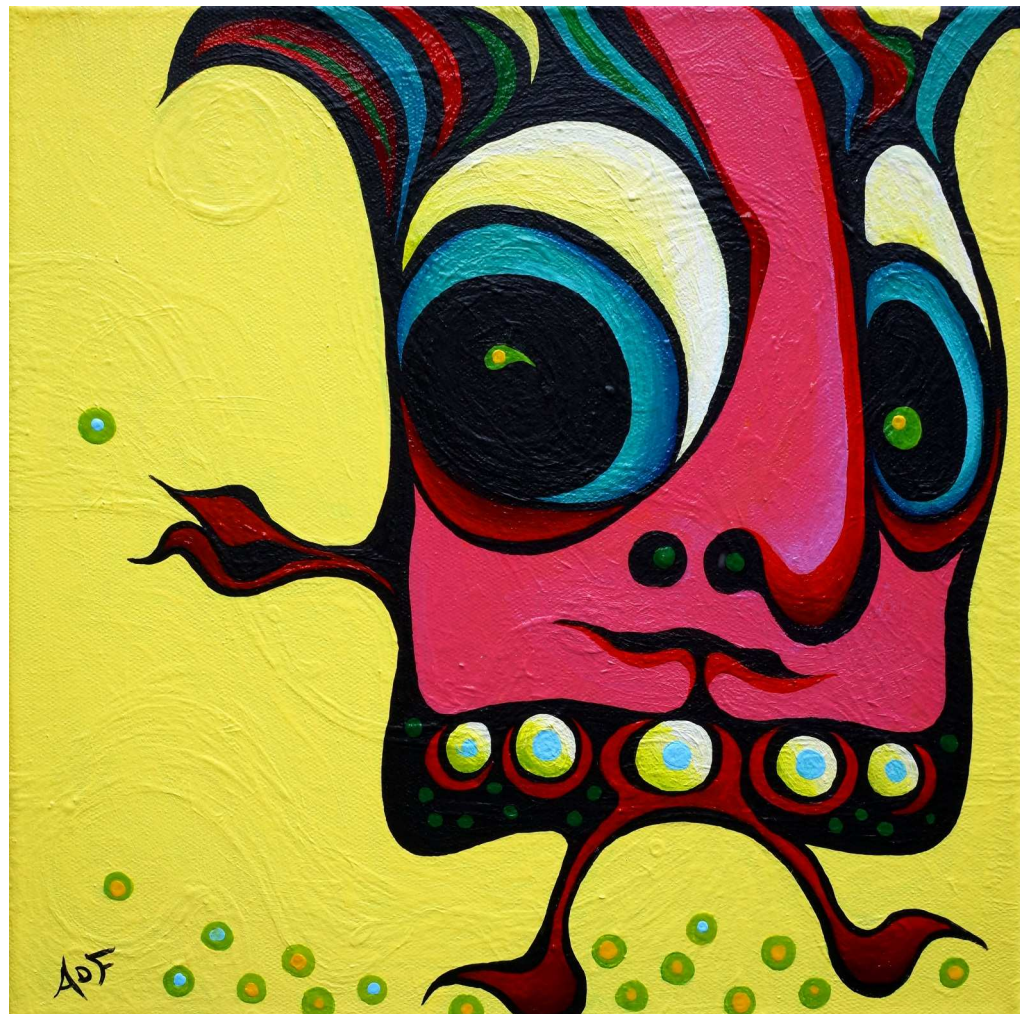

Crop Dustin

Earthy and kind,
in brightest red hue...

He tends to the soil,
with seeds that are new.

But seeds are not all
he's likely to strew...

Hurry! Go do
A Big Number 2!

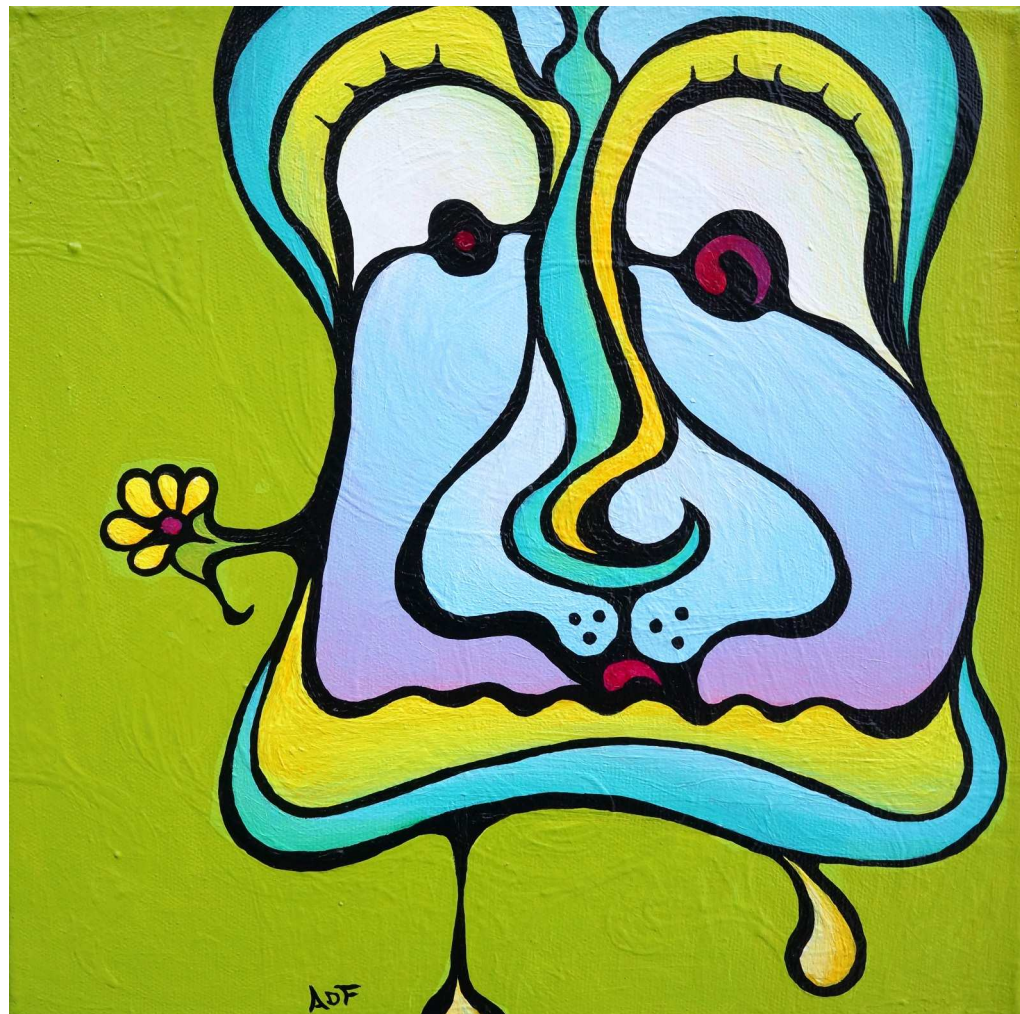

Marie Antoinette

She's carefree and light,
dressing in blue.

She always smells nice,
like fresh morning dew.

Should wee bubbles burst,
and rank gas debut...

Be fast and go do
A Big Number 2!

Poohnelope

Blamed for bad smells
it's sad but it's true.

As the stench had amassed,
the accusations grew!

All of outdoors
is open to you!

Run out and do
A Big Number 2!

Gaston Gusher

The worst kind of creep,
with feeblest IQ...

He grows stinky clouds,
as if on cue!

The smell is so vile,
you'll just want to spew!

Please leave and go do
A Big Number 2!

Paul My Finger

He likes a good joke,
and cheesy fondue.

He's got trepidations,
his jitters come through.

Pulling his finger
is rather see-through...

He's gonna go do
A Big Number 2!

Raspberry Ralph

He stuffed himself silly,
with vegetable stew.

A sharp popping sound,
soon will ensue.

He'll rush out the door,
with swelling issue!

Go now and do
A Big Number 2!

Silent Bob

He's always alone,
or with just a few.

The neighbors above
think he sniffs glue!

The cheese has been cut,
and fuming plumes spew!

Go soft and do
A Big Number 2!

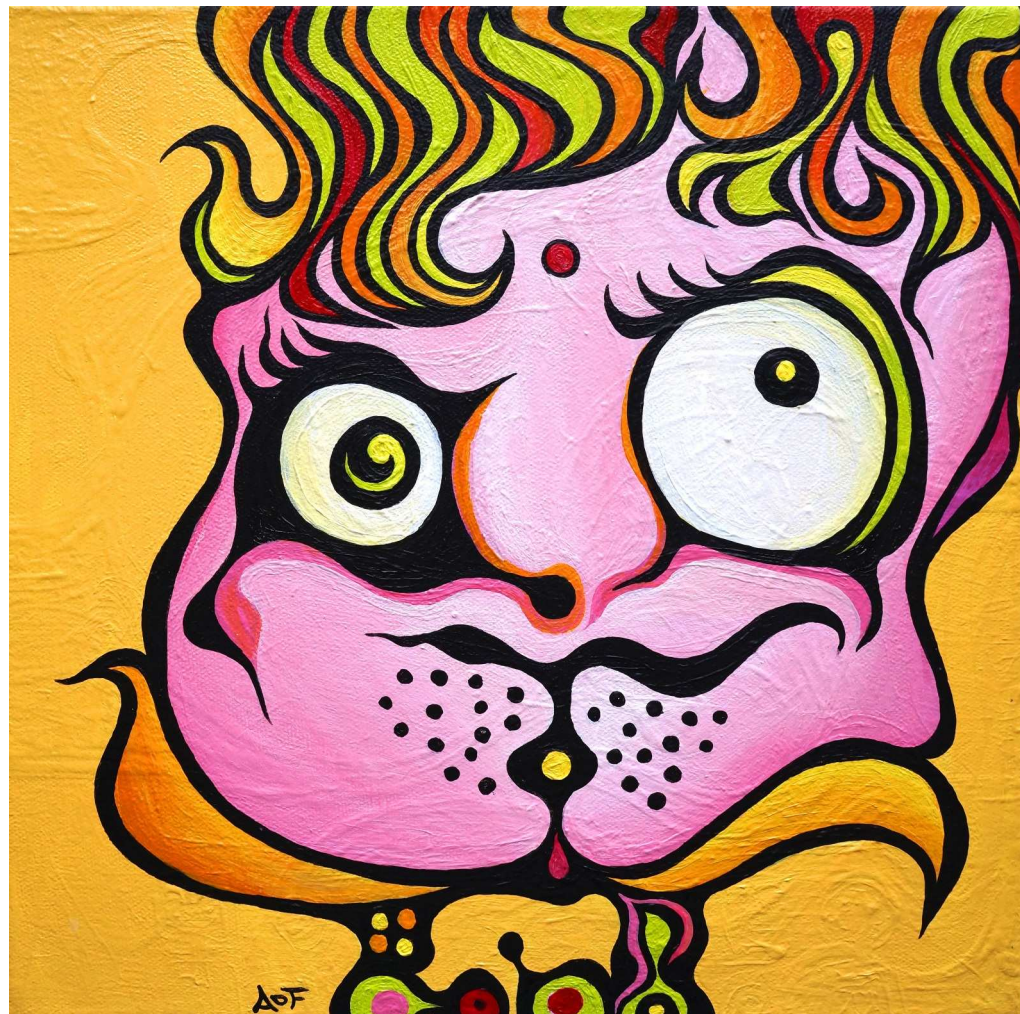

Smelly Nellie

Exotic are foods
that she likes to chew.

So noxious gas forms,
and it starts to spew!

Divulging at once,
a most stinky clue...

Go now and do
A Big Number 2!

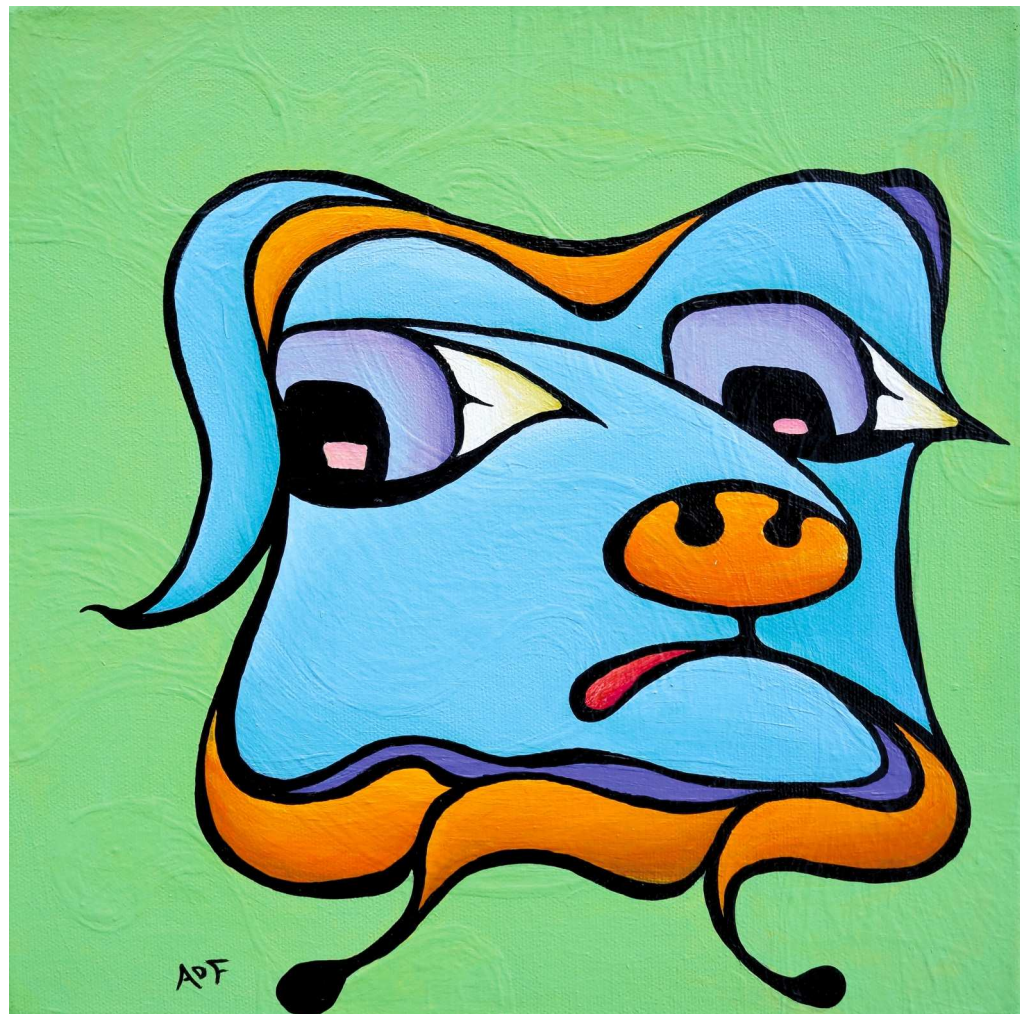

Watery Walter

He's short and he's stout,
he likes to argue!

His mindset is bad,
and contagious like flu!

Those watery sounds
are his biggest coup.

Kick him out to go do
A Big Number 2!

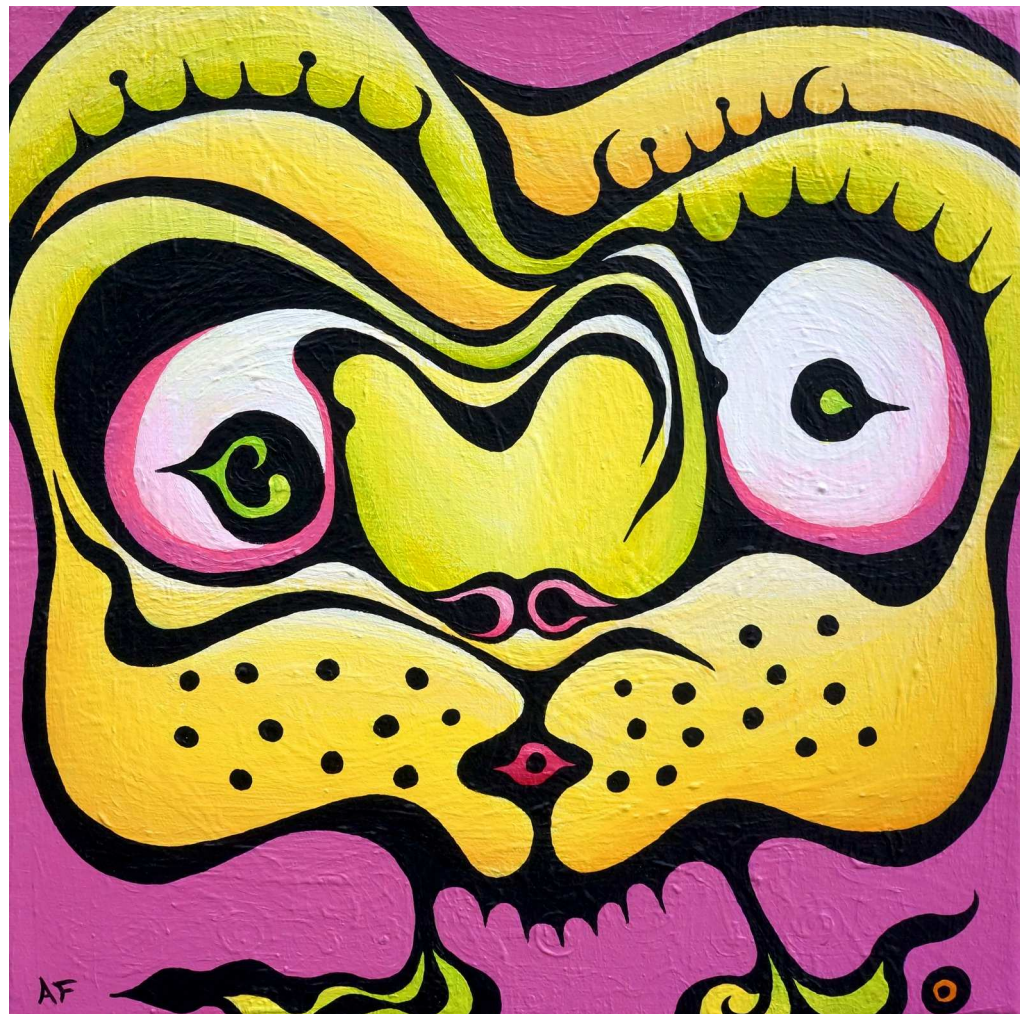

Whispering Wanda

Wanda is nice,
Her heart's made of goo.

She always says yes,
Her smile stays on view.

But once in a while,
she'll visit the 'loo,

To go swift and do
A Big Number 2!

Windy Cindy

An everyday princess
in every venue,

She tries to do right,
with proper virtue.

She'll make squeaky sounds,
some squeaks are taboo!

She'll scurry and do
A Big Number 2!

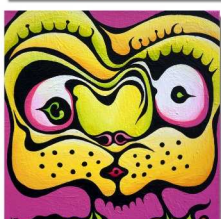

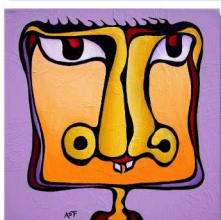

You've met all the Tarts...
Their smelly ways too.

Their big googly eyes
are watching for you,

To smile and to laugh
'cause we all emit poo's!

It soon will be time
for me and for you...

To go off and do
A Big Number 2!

Amy Ferrari is an independent contemporary artist specializing in transforming any imagery into colorful, harmonious, joyful paintings.

Her mission is to create art that enhances creativity, positivity, and happiness in any environment. And to share her passion and vision with anyone that can be inspired.
